

MEDICAL CENTER:

Medical center is situated in the centre point of the BUET campus. Students, teachers including their family members and all the employees of BUET receive treatment, investigation and medical advices from here. BUET medical center remains open in the following days and time:

Saturday - Wednesday:

Summer (1 April - 30 September)	Morning : 09.00 AM- 12.00 PM
	Evening : 04.00 PM- 06.00 PM
Winter (1 October - 31 March)	Morning : 09.00 AM- 12.00 PM
	Evening : 03.30 PM- 05.30 PM

Moreover, the health center provides service round the clock for seven days a week (On call duty). To avail the service, patients can call the following number:

Medical Emergency No.: 6666

Medical Center offers Pathological test, X-ray, ECG, Physiotherapy and medicines free of cost to students. But teachers, officers and other employees get consultation free of charge except medicines, pathological test etc. which are charged and deducted from their monthly salaries.

The center has modern test laboratory, X-Ray, Dental, Physiotherapy and ECG facilities and the ambulances when needed.

The center has in its premises arrangement for isolated beds for students suffering from contagious diseases such as chicken pox, mumps, measles etc and also sick bed for examination.

Above mentioned services have been described below:
